The New Movement In Orthodontics™

A Real Choice for Real Professionals

- Advanced manufacturing process with proprietary ClearWear™ material provides ultimate aesthetics
- Precision-fit aligners provide exceptional tooth-specific control for improved comfort and reduced need for unsightly attachments

Jumpstart your **SLX** Clear Aligners with the **Carriere® Motion 3D Clear™** Appliance to provide the most efficient and aesthetic treatment solution available!

The combination of clear Motion 3D and SLX Aligners provides exactly what patients and clinicians are seeking - ultimate aesthetics with exceptional results."

— Dr. Dave Paquette

Real Comfort

Scalloped, smooth trays are expertly trimmed along the gingival margin for maximum patient comfort.

Not Seeing is Believing

Unlike competing orthodontic aligners, SLX Clear Aligners are uniquely clear.

Real Simplicity

- Open source platform accepts STL digital impressions from all leading intraoral scanners
- Intuitive DDX SLX Approver online portal streamlines case submissions, review and tracking
- Experienced dental-trained technicians facilitate fast and accurate case setups
- Online portal allows you to share treatment setups with your patients and manage your cases 24 hours a day, 7 days a week

Real Efficiency

Let **Motion 3D** do the heavy lifting for you!

The **Sagittal First™** treatment paradigm utilizing **Motion 3D Clear™** Appliance eliminates competing force vectors and patient compliance issues inherent in traditional Class II correction. This new approach is designed to simplify and standardize your cases, reducing total treatment time and the number of aligners required.

“*Motion (3D) CLEAR has allowed me to significantly reduce the number of clear aligner trays per patient, almost in half! I have faster more predictable results and lower overall costs.*”

— Dr. Francesco Garino

“*Using Sagittal First principles has allowed me to make nearly every case Class I before starting clear aligners. What a breakthrough in efficiency!*”

— Dr. John Graham

Real Results

With **over 50,000 patients** treated with this innovative aligner technology, you and your patients can be confident in SLX aligner performance and results by a trusted global dental company.
